# MONSTER BLOCK® RETAINING WALL SYSTEM

Replace manual labor  
 with machine power!!

Elevated Tee Box

Small Walls

Large Walls

# The Big Block Advantage!

## Faster

With our Five Decker Block you can install 40 sq ft. of wall in seconds!!

## Stronger

These massive blocks are made of solid concrete and have the strength to hold back most any type of soil.

## Easy to Install

No more back breaking work. Use your skid steer or backhoe!!

## Cost Effective

Our system requires less excavation & backfill which means more money in your pocket.

## Straight or Curved Walls

With our unique block design you can make a curved wall with up to an 18 foot radius or a straight wall with the same block.

## Corner Walls

Allows for a 90 degree corner.

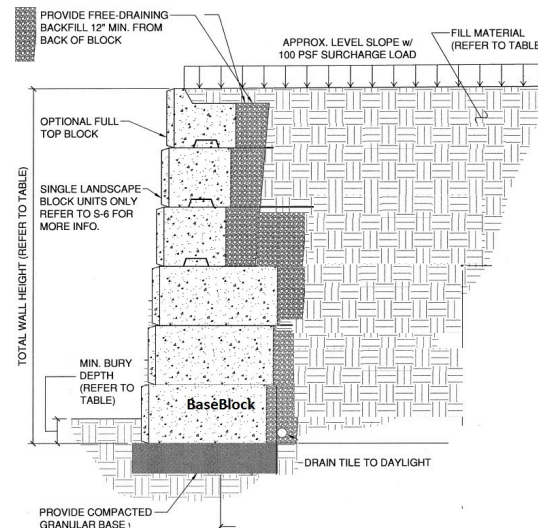

## Top Cap Blocks

These blocks allow you to cover most of the top of the block with soil and provides a small concrete boarder.

## Typical Installation

## Taller Wall Installation

*Less Excavation than geogrid using base blocks!*
